TOWN WARRANT

State of New Hampshire

Carroll, SS.

*To the inhabitants of the Town of Conway, County of Carroll
qualified to vote in Town affairs:*

You are hereby notified to meet at the Town House at Center Conway, New Hampshire, March 10, 1953 at nine o'clock in the forenoon to act upon the following subjects:

Article 1. To choose all necessary town officers.

Art. 1-a. To bring in your votes for a representative to the General Court to fill the vacancy caused by the death of Leslie C. Hill.

Art. 2. To see what sum of money the town will vote to raise and appropriate for the following purposes:

Section a. Town officers' salaries

- b. Town officers' expenses
- c. Election and registration
- d. Municipal Court
- e. Expenses Town Hall and other buildings
- f. Town office expense
- g. Police department
- h. Fire department
- i. Health department
- j. Town dump
- k. Vital statistics
- l. Town maintenance of highways, summer and winter
- m. Libraries
- n. Town poor
- o. Old age assistance
- p. Memorial Day
- q. Soldiers' Aid
- r. Parks and playgrounds
- s. Damages and legal expense
- t. Interest, on temporary loans and bonds

- u. Payment on bond issue
- v. Insurance and F.I.C.A.
- w. County taxes

Art. 3. To see if the town will vote to authorize the Selectmen to distribute the blank inventories at the time they examine and appraise the property to be taxed.

Art. 4. To see if the town will vote to authorize the Selectmen to hire upon the credit of the town the sum of one hundred thousand dollars (\$100,000.00) if needed.

Art. 5. To see if the town will vote to authorize the Selectmen to appoint a competent highway supervisor and do away with electing a road agent each year. This vote to become effective in 1954 to remain in effect until rescinded at some future meeting.

Art. 6. To see if the town will vote to raise and appropriate the sum of \$2,500.00 for State Aid Construction to be expended on the Kearsarge road. With the State providing \$5,000.00; there is no construction to be done this year on this project and to raise and appropriate the sum of \$1,032.65 for Town Road Aid with the State providing \$6,884.35 and to raise and appropriate the sum of \$4,470.00 for Class IV Urban extension with the State providing \$4,470.00.

Art. 7. To see if the town will vote to authorize the Selectmen to relocate a portion of Brackett road, North Conway, and to acquire through exchange of deeds an additional section of land across the land of Richard L. Church to the Skimobile and to raise and appropriate the sum of three thousand dollars (3,000.00) for the construction of the same.

Art. 8. To see if the town will vote to raise and appropriate the sum of \$100.00 for Civil defense. The same to be expended under the direction of the defense officer and the Selectmen.

Art. 9. To see if the town will vote to raise and appropriate the sum of seventy-four hundred dollars (\$7,400.00) for the purchase of new equipment.

Art. 10. To see if the town will vote to accept a deed to the Center Conway beach from the Public Service Co. of New Hampshire and raise and appropriate the sum of one hundred dollars (\$100.00) for improvement of the same.

Art. 11. To see if the town will vote to accept a road as deeded to the town by George D. Emery. The same being the road to Arthur Bolduc's and Mrs. Marion Hunt's new houses.

Art. 12. To see if the town will vote to raise and appropriate a sum of money to drain Oak street beginning near the Godfrey property. Agreeable to a petition signed by May Godfrey and others.

Art. 13. To see if the town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for Information Booths to be divided equally between the Conway and the North Conway Chambers of Commerce. Agreeable to a petition signed by L. Wilder Quint and others.

Art. 14. To see if the town will vote to authorize the Moderator to appoint a committee to bring in plans for zoning at the next Town Meeting. Agreeable to a petition signed by Lucian D. Stacy and others.

Art. 15. To see if the Town of Conway will vote to raise and appropriate a sum of money sufficient to install a water hydrant near the Town Hall, and pipe the same from Mudgett water hole, for fire protection of the town buildings and the community. Agreeable to a petition signed by Maurice Kimball and others.

Art. 16. To see if the town will vote to allow the Collector of Taxes additional compensation for his services in collecting the State Head tax and to fix the amount thereof.

Art. 17. To see what sum the town will raise and appropriate for the installation of a drain on Lake street, Conway, at the proper catch basin spot near or adjacent to the former Catholic Church building. Agreeable to a petition signed by Fred E. Wiggin and others.

Art. 18. To see if the town will vote to raise and appropriate the sum of \$556.54 to the White Mountains Region Association, being 10c per \$1,000.00 of assessed valuation (1/100th of 1%) for the purpose of issuing and distributing printed matter and advertising and otherwise publicizing the advantages of the town, in co-operation with the other 45 towns in the region. Agreeable to a petition signed by Ralph L. Grindle, Jr., and others.

Art. 19. To see what sum of money the town of Conway will raise and appropriate to assist in maintaining the Memorial Hospital at North Conway. Agreeable to a petition signed by Wendell Lees and others.

Art. 20. To act upon any other business that may legally come before said meeting.

Given under our hands and seal at Center Conway, N. H., this 20th day of February 1953.

A WORD BY YOUR SELECTMEN IN EXPLANATION:

It has been a common complaint that the Town Report did not give a clear picture to the general public. It is our desire to put a better picture before you, thus this effort to correct this failing.

This year we have combined all highway items under one heading. The former breakdown of Winter, Summer and General Expenses of the highway department only tended to add confusion and in reality was very repetitious. Now when you read the items listed, it will represent the total amount for that item for the year, which we feel is what the public is interested in.

Both Town Road Aid and Class IV Urban joint accounts are handled by the Town Highway Department in so far as the work done is concerned. The money is held by the State Treasurer and upon presentation of payrolls by the Town to the State Highway Department, a reimbursement is paid from these accounts back to the Town Highway Department.

On State Aid Construction, all work is put out to bid. The awarding of bids is up to the joint agreement of the State Highway Department and the Selectmen. From this point on the job is handled by a resident engineer from the State Staff.

		\$10,119 02

Report of Police Department

Cases brought to Municipal Court by the Police Department consisted of the following offenses:

Speeding	11
Driving under the influence of liquor	7
Operating without a license	5
Failure to keep to right	2
No inspection	2
Careless and negligent operation	2
Refusing to stop for officer	1
Reckless driving	1
No registration	1
Crossing unbroken yellow line	1
Drunk and disorderly	1
Assault	2

36

Besides court cases our records show:

194 Warnings for less violent actions	
153 Courtesy tickets issued	
56 Motor vehicle accidents investigated	
91 Motorists given aid	
16 Criminal investigations	
41 Drunks, locked up or taken home	
91 Tramps lodged at Police Station	
12 Family disputes where police were called	
10 Requests to try and locate certain persons	
5 Requests to try to find missing persons	
8 Requests to check on prowlers	
10 Trips to State Hospital or County Jail	
23 Doors unlocked (business places after closing hours)	
446 Answers to information requests	
553 Telephone calls received asking for information or assistance	

Also, many motor vehicle check-ups, numerous defective equipment tags issued, and several cases of stolen or misplaced bicycles recovered.

Outside of our regular duties of patrolling, checking, investigating, and working on motor vehicle law violations, was duty at Town Meeting, Caucus, Primary and general elections, political meetings, school meeting and graduation, parades, funerals, and special traffic duty during the skiing season.

In the last year we have used two full-time officers, plus special work of several other officers, as for example we employed a day officer to work in North Conway village for several weeks last summer during our heaviest traffic and with very good results. This police work should be continued another summer and for Conway village also. I recommend that we plan for this when we vote on our police appropriation this year.

Members of the Conway Police Department are:

Raymond W. Bragg, Chief of Police
Berkely Hosmer, Regular Officer
Stetson Archibald, Special Officer
Joseph W. Rancourt, Special Officer
Arthur Seavey, Special Officer
J. Phillip Roberts, Special Officer
Wylie L. Apte, Special Officer
Alfred Lowd, Special Officer
John McLellan, Special Officer
Robert Tripp, Special Officer
Norman Eastman, Special Officer

This does not include officers appointed for duty at certain areas such as the Skimobile, Red Cross swimming area, etc., or for duty under Civil Defense planning.

My sincere thanks and appreciation are due to my fellow officers, the local Fire Departments, the State Police, the Motor Vehicle Department, the Sheriff's Department, and many other organizations and individuals from whom I have received aid and co-operation.

RAYMOND W. BRAGG,
Chief of Police

REPORT OF FOREST FIRE WARDENS

Once again we are about to enter another forest fire season and once again your town forest fire warden is asking you to be careful of fires in our woodlands and along our roadsides. There is nothing more displeasing to the eye than an area of blackened waste. Nine out of ten of these blackened areas are caused by You and You. It is only with your co-operation that we can prevent such an area in our town. A great part of the men and women of this area depend on timber for their weekly pay check, and by you and you being careless, these people are being deprived of a living. We can't even try to prevent fires caused by lightning, but the number of fires caused by this agent is very small. It is you as a smoker, as a debris burner — you as a careless person, who can do a great deal in preventing this most shameful waste of our natural resources.

You can help by making sure your smoking material is out — DEAD OUT, your incinerator is air tight, the area around it is cleaned of all burnable material, that you have had it inspected by your forest fire warden, that you have asked for and received a permit to burn from your forest fire warden. By doing these things the number of fires are going to be fewer and you will have woodlands to hunt in, to have picnics in, to be able to fish the stream. You will also be proud of your green mountainsides. By not doing this you will not enjoy yourself at all. It is not too long ago that most of us can still remember the fall of 1947, and we all know that most of these fires during that period could have been prevented if everyone was careful. So, it is only You and You that can prevent this most shameful waste of our woodland by this common enemy — FIRE.

Please remember it is a proud record for you to say that my town had no woods fires this past year and it is only through you and you that this goal can be reached. So, please help us to prevent forest fires.

1952 Forest Fire Record

Number of fires, 1; acreage burned one-tenth acre; number of permits issued, 97.

Report of Superintendent

To the Citizens of Conway:

SCHOOL BUILDING NEEDS

Our old, educationally obsolete, elementary school buildings have served us well, and now we have reached the critical point in our school building needs. There are many ways of solving our school building problem. But surely there is a best way — and that way should be determined by all the members of our community through a united effort and with a common purpose to invest, within our financial means to support it, in the kind of schools that will provide the best opportunities for learning in a safe and healthful environment.

The North Conway Elementary School is completely inadequate for educational purposes. The continued use of this building will, in the next few years, require unusually and unwarranted large sums of money in upkeep and repair.

The Conway Elementary School classrooms are critically overcrowded, nor do we have enough of these small classrooms to take care of the needs of our increasing elementary enrollment. This year we will be faced with the problem of not having a sufficient number of classrooms for the entering first grade in Conway.

TEACHERS

“I believe that the teacher is the most important person in American Society. There should be more of him, and he should be better paid.” This statement was made by General Dwight D. Eisenhower in a report to Columbia University Alumni.

In order to keep our good experienced teachers and make provisions for the employment of new teachers we will need to adopt a salary schedule at least equal to those of communities in our state comparable to ours. We can no longer be the train-

ing schools for inexperienced teachers without detrimental effects to the continuity of a good school program, since the factor that most determines the quality of our educational system is directly attributable to the kind of teaching staff we have. The largest percentage increase in our school budgetary program for 1953-1954 is reflected in teachers' salaries.

SCHOOL PROGRAM

Provisions have been made to revise the time schedule at Kennett High School to enable pupils to spend more time in class work under the direct supervision and guidance of their teachers. There will be fewer periods during the day, but the periods will be longer. This will eliminate the large study hall situation where 125 pupils were supervised by one teacher who could at best help only a small fraction of this number.

I'd like to call your attention to the forthcoming four-page "educational supplement" depicting many phases of our school program. It will be included in a March issue of the North Conway Reporter.

IN-SERVICE EDUCATION

Several of our teachers are availing themselves of the opportunity for professional growth through in-service educational training programs. These educational courses are sponsored by the New Hampshire State Department of Education in co-operation with our teacher-training institutions.

Such courses as Reading, Arithmetic in the Elementary School, Guidance and Psychology of Learning have been offered in recent years. This second semester course in "Evaluation of Learning" will enable teachers to study and re-examine the goals of education, and in light of these goals to create learning situations that will aid in the fullest potential development of each child, and to chart and report pupil progress to parents in a clear and meaningful way.

SCHOOL LUNCH PROGRAM

The school lunch program has become an integral part of

our total school program. Although we are operating under the handicap of limited space, we are fulfilling a definite need in providing well balanced, nutritious hot lunches to a great many of our children at a bare minimum cost of twenty-five cents. This reduced cost is due to the subsidy of six cents per meal received from federal sources and to the large amounts of surplus foods allocated to our program. Some of the foods received this year are: orange juice, hams, bacon, eggs, butter, and turkeys.

A complete financial report of the lunch program will be found elsewhere in this report.

I want to call your attention to a report by Mr. Paul Mayer-son. We have made some real progress in our effort to provide a broad and rich program of music education to all our children.

I want to take this opportunity to express my appreciation to the Conway School Board for their assistance in the administration of our schools.

DAVID APPLETON

REPORT OF SCHOOL HEALTH PROGRAM

I hereby submit my report of the physical examinations and clinics held in the Town of Conway for the year 1951-1952.

Two hundred twenty-eight physical examinations were done. These included first grade pupils who had not been examined at the pre-school clinics, all sixth grade pupils, and all pupils participating in sports. The school doctor made no charge for heart examinations of the elementary school boys who played basketball. In January, April, and October Treatment Centers were held at the Community Center in North Conway where twelve children had the exercises checked that had been given them at the Orthopedic Clinics.

In January, thirty-six pupils from the North Conway Elementary school received vaccinations or immunizations at the Well-Child Conference, and in May thirteen children from the Conway Elementary school received similar treatments.

Our May Chest X-ray Clinic was held at Kennett High School and sixty-six X-rays were taken.

Last May in Conway and North Conway we had our first pre-school round-up for the coming first graders. This Clinic was sponsored by the P.T.A.'s. The doctors made the physical examinations and talked over any defects found with each mother. The dentist examined the children's teeth and referred those with dental defects to their family dentist. The school nurse tested the eyes and talked with the mothers about having the eyes examined by an oculist before entering school. Most of the defects found were taken care of before the children entered school in September.

I consider these Clinic-Conferences one of the most valuable of our school projects and they will be held this year in Conway, North Conway, and Center Conway. We would like to encourage all parents to take advantage of them.

I wish to express my sincere appreciation for the assistance and help rendered by the doctors, dentists, PTA members, School Board, and teachers to make these Clinics possible, and I hope the Clinics this spring will be an even greater success.

REPORT OF MUSIC SUPERVISOR

"Music for all children, all children for music," is a quotation from a recent publication of the Music Educators National Conference. Using this phrase as a byword, music in the schools of Conway has shown progress and promises to be an outstanding program among school districts in the state of New Hampshire.

Vocal music in the grade schools and Kennett High School is the basic component of the program. At the lower levels the program is divided into three sections. Rhythm, Listening, and Singing are presented to provide youngsters with a well-balanced program. Rhythm through folk games and dances, rhythm bands and creative music forms the framework for the entire program. In the Junior High Grades, emphasis is placed upon rhythm in order to develop co-ordination in these youngsters. Music Reading and singing are taught with the "do, re, mi's" well known to many of us, as well as with numbers and the letter names of the notes. Through recordings, an appreciation of better music is presented to the classes. It is hoped that the supply of records will be increased from year to year.

Instrumental music in our schools has grown to immense proportions with the percentage of those eligible to receive lessons approaching twenty-five per cent. Lessons are given in classes of no larger than four or five students. Many youngsters who are studying unusual instruments have the opportunity for private instruction. This program begins in the third grade level where class instruction in pre-instrumental instruments is given as part of the regular music program. Then, youngsters are given the opportunity to rent and buy the instrument of their choice if they so desire. Beginning this spring, it is hoped that a string program will be activated with over twenty youngsters receiving instruction on the violin, viola, and 'cello. At the annual spring festival, held in May, the grammar school orchestra of Conway will make its debut. At the same time, a band of seventy-five pupils will be guest performers.

The music program of Kennett High School is very active. The Band under the direction of Mr. Charles Zumstein has performed many times at football games and school functions. The

band is a growing organization and as the elementary program graduates qualified musicians, they will in turn enter the high school group. Within a three-year period Kennett could boast of a sixty-piece instrumental ensemble. Vocal music is divided into three sections in the High School: Mixed Choir with a membership of fifty; a Girls' Glee Club with eighty girls, and the Songsters, a picked group of twelve musicians. The Songster group has acted as goodwill ambassadors for the school by appearing at civic and school functions many times during the year. The Glee Clubs will prepare two concerts during the year in addition to a Gilbert and Sullivan operetta, a first in Kennett Annals. In the future plans will be made to include some major musical production every year. All Kennett Groups will attend the state auditions festival, sponsored by the New Hampshire Music Educators Association. In addition, ten youngsters will participate in the New Hampshire Concert Festival.

The future of music in the Conway schools is bright. The object of a beginning program is quantity in numbers. In order to further a continuing program, it will be necessary to strive for quality in the end result. Music can be a wonderful contributing factor to the lives of our children. Their experiences in music will help them to understand, in one way, the problems of our troubled world, where music truly is the universal language.

PAUL S. MAYERSON

Music Supervisor

AUDITORS' CERTIFICATE

February 9, 1953

We hereby certify that we have examined the accounts of the Trustees of Trust Funds of the Town of Conway for the year ending December 31, 1952 and find them correct. Proper vouchers are on file for expenditures and the amounts of the various funds are on deposit in approved savings banks.

NEIL C. CATES
